SUBJECT.

Disposal of Un-Current Coins in the SC & Co Huzur Treasury.

---

**CHIEF SECRETARY'S OFFICE.**

## REVENUE BRANCH.

**OFFICE NOTE.**

SUBJECT. Disposal of uncurrent Coins in the State Treasury.

LAST REFERENCE. Letter No. 1953 dated 24th Sept 93.
from the Comptroller in Mysore.

Vide GO 1197 Dy 18-8-93 (Paper No 3).

When the monthly Cash Balance Statement of the several Treasuries on the 1st Augt 93 was submitted, it was observed by the Offg Dewan Bahadur that the value of uncurrent coin was shown to be Rs 12,849-5-10. The Comptr was requested to report whether any particulars

Vide GO 4217/R462 Dy 30-8-93 (Paper No 4).

were forthcoming for the
afore said sum & what
steps were on foot for a
realizing their value.

2. The Comptroller now
submits a statement
giving details of the un
-current coins, and his
proposals for their disposal,
which are as follows:—

i That uncurrent copper
coins of British mintage
of the value of Rs 1279-6-8
are to be disposed of under
Art 592 of the Civil Acct Code, 5th Edition,
and their value recovered thro'
the Accountant Genl, Madras.

ii That uncurrent Mysore
Copper Coins (value Rs 8328-13-8)
may be sent
to Bombay Mint for
mutilation as was done
in the year 1882. In this
connection, the Comptr begs
to be informed
whether the receiving of these
Coins should not be stopped

Vide No 1953 Dy 24-9-93.

*From*

E. R. SUBBRAYAR, Esq.,
*Comptroller of Mysore,*

*To*

*The* Chief Secretary
to the Dewan
of Mysore.

SIR,

With reference to your docket 4217/462 dated 3/6 September 1893, I have the honor to enclose a statement giving details of the uncurrent gold, Silver and copper coins aggregating Rs: 12.849-5-10 held in the State Huzur Treasury on the 1st August 1893, and to remark as follows as to the steps to be taken for the realization of their value.

The nominal value of the uncurrent copper coins of British Mintage is recoverable from the British Government through the Accountant General Madras under

under article 592 of the Civil Account Code 5th Edition. Such recoveries have from time to time been made and the State Hazur Treasury will be directed to take early steps for the realization of the value of such uncurrent copper coins now in balance.

The uncurrent Mysore copper coins of which there is a large balance of Rs: 8328-13-8, has been accumulating in the Treasury since 1883 in which year such coins of the nominal value of Rs: 58,931-6-4 were sent to the Bombay Mint for mutilation and disposal under the sanction of Government conveyed in Proceedings No. $\frac{5582}{370}$ dated 11th December 1882. × Jun Trsy

A similar course may I submit, be adopted in regard to the present accumulation of these coins. It is a matter for consideration whether the receiving of these coins should not be absolutely stopped and after due notice considering that their withdrawal from circulation was decided on in the year 1863 nearly

thirty

under article 592 of the Civil Account Code 5th Edition. Such recoveries have from time to time been made and the State Honble Treasury will be directed to take early steps for the realization of the value of such uncurrent copper coins now in balance.

The uncurrent Mysore copper coins of which there is a large balance of Rs: 8328-13-8, has been accumulating in the Treasury since 1883 in which year such coins of the nominal value of— Rs 58,931-6-4 were sent to the— Bombay Mint for mutilation and disposal under the sanction of Government conveyed in Proceedings No. $\frac{5582}{370}$ dated 11th December 1882. × Jutrup

A similar course may I submit, be adopted in regard to the present accumulation of these coins. It is a matter for consideration whether the receiving of these coins should not be absolutely stopped and after due notice considering that their withdrawal from circulation was decided on in the year 1863 nearly

thirty

thirty years ago when copper of British Mintage was introduced in Mysore.

As regards the uncurrent gold and silver coins I may state that they are apparently kept in the Treasury for no other reason than to supply the wants of Coin Collectors, and I beg to suggest that as such a large stock of such very small coins, which means money lying idle and the counting of which involves a great deal of time and labor, may not be required to remain in balance for this purpose, a fair proportion of very rare coins of total value not exceeding 1,000 Rs may be retained to meet the requirements of Coin Collectors &c and the rest sold to the public on tenders which may be called for.

I have the honor to be
Sir,
Your most obedient servant
E. Thompson
Comptroller

Letter No. 1953,
dated 24th September
1893, from the Comptroller
in Mysore about the
Disposal of uncurrent
Coins in the State
Mysore Treasury

Order thereon

No 23047 D/ 22 June 1894.
R.F. 136-93 28

The Comptrollers
proposal to dispose
of uncurrent Copper
Coins of the British
Mintage under
Art. 592 of the Civil
Account Code, 5
Edition, and to recover

their value of through the Acct General of Madras is approved

2. The proposal to send the uncurrent Mysore Copper Coins to the Bombay Mint for mutilation as was done in the year 1882 is also approved if the procedure does not prove too costly. The Comptroller will first enquire from the Bombay Mint and the Railway Authorities about the Cost, ~~&c~~ and report

The Government

The Secretary to the Govt of India in the Finance Department Engineering Branch (Railway) Simla

Sir,

I am directed to state that a large furnace at Bangalore, such as that at the Mint, the Railway workshop, or the Railway workshop. This will be very much cheaper and a write heavy expenditure under

cannot stop receiving these Coins after due notice as suggested by the Comptroller.

3. As regards ~~the disposal of~~ uncurrent Gold and Silver Coins, their disposal (in the way suggested by the Comptroller, (viz, by selling them to the public on tender after reserving a portion of rare Coins not exceeding Rs. 1000/- in value, to meet the wants of Coin Collectors) is reserved for further Consideration. ~~Can be said for the present~~. Meanwhile he will report when they

were last Counted and

how they are Secured.

Chief Secy

To The Comptroller

The bulk of these Coins is so small and they are scarcely required to be taken out, that it will be easy to make a proper list of them & put them in a small strong box, & secured & under joint locks & Seals —

COMPTROLLER'S OFFICE
31 AUG. 94
MYSORE

SIR,

With reference to Government Proceedings No. 23047 / R.7.136-93 dated 22nd / 28th June 1894, in re disposal of uncurrent coins in the State Huzur Treasury, I have the honor to report-ourry, I have the honor to report-ourry, with advertance to para 2 thereof, ~~that~~ the Mint-master, Bombay, was asked in my letter No. 370 dated 19th July 1894 whether he would as on a previous occasion, receive the uncurrent Mysore copper coins that have accumu-lated in the State Huzur Treasury at a valuation and undertake to have them melted so as to se-cure Government against a re-ipse. He replied in his letter No. 412 dated 26th July 1894 that he is not prepared to take over the coins and suggested that they ~~may~~ be defaced and sold as old

old copper locally.

The process of mutilating and selling Mysore Copper Coins was once tried and proved to be a very laborious and tedious task, involving the employment of a special guard to supervise the work of mutilation. I am therefore not inclined to dispose of the present stock of such coins in this manner.

I addressed Messrs Rickett & Co of Bangalore on the subject of melting the copper coins. In their letter dated 10th July 1894 they agreed to purchase the whole quantity from Government, if allowed after the copper was melted at 4½ annas per ~~lb~~ or bear the cost of melting and wastage and pay Government annas 3 per lb in monthly instalments as may be fixed by the Comptroller. Subsequently in their letter dated 21st August 1894 on being asked by me to reconsider their first tender as local merchants agree to cut the coins at their own cost and

and pay for them at the rate of 4 annas per lb, replied that they were willing to pay four annas per lb instead of three annas as mentioned in their former tender all other conditions being the same.

To save time and trouble and extra cost by way of Special guard &c, I beg to recommend that Messrs Rickie and Co's tender be accepted being more advantages to Government, the value of the copper sold to them on the terms offered being recovered by six equal monthly instalments

There are at present uncurrent Mysore copper coins of the normal value of Rs: 8,718/- in the State Huzur Treasury weighing about 84 40 lbs, at the rate of 4 annas per lb this will realise Rs: 2,100/- allowing 10 Rs: for wastage, cart hire to his workshop &c.

The nominal value of uncurrent copper coins of British Mintage in balance in the State

Huzur

Huzur Treasury have since been realised through the Accountant General of Madras.

In reply to para 3 of the Proceedings under reference I beg to state that the uncurrent old gold coins were counted by Mr Sinkaneshwara dyer — Officiating Kazana Bakshy on the 18th and 20th June and lastly by myself on the 29th instant.

A complete list of these coins has been made and the coins themselves have been put in a small tin box under the joint seal of myself and the Treasury Officer and are placed in the Iron Safe in the strong — room.

The uncurrent silver coins are placed in a wooden box kept in the same strong room under double locks

I have the honor to be
Sir,
Your most obedient servant

General & Re. Depts.

Sir,

With reference to Govt
Pro: No. 9976 (16)
R 736-93 dated 15th Decembr
1894 accepting the tender of
messrs Rickie & Co. for the
purchase of old Mysore Copp
Coins after melting them at
4 annas a ~~lb~~ to be recovered
by six monthly instalments,
I have the honor to report that
the copper coins in question
were made over to messrs
Rickie & Co. and that the
whole of them were melted
and taken over by that firm

in

in November 1896

The total Value of the copper after melting amounts to Rs 2218-11- which under agreement was recoverable by six instalments. but no instalment has as yet been paid by that firm although six months have elapsed since the completion of the melting Process.

I reminded ~~the~~ the firm of the non payment of the instalments due in my Letter No 6477 & 13th April 97 and again on the 21st April 1897 in my Letter No 6695/5-73 informed them that if the instalments due were not paid on due dates the matter would be reported to Govt in view to legal measures being taken for the recovery of the same. To this they replied

in

in Letter dated 27th April 1897
that the money will be remitted
during the month of May 1897
No remittance having as
yet been received. I have to
request that I may be per-
-mitted to sue them for the
amount
An advance of Rs 200/—
to meet legal expenses may
also be sanctioned

for Secretary

To the Comptroller, Mys

No. S-827 OFFICE OF THE COMPTROLLER OF MYSORE.

*Bangalore*, 7th May 1901.

*From*

E. R. SUBRAYER, Esq.,

*Comptroller, Mysore Government.*

*To*

*The Secretary to the Govt. of Mysore,*

General and Revenue Dept.

Sir,

With reference to Government order No.8238/FL816 dated 12th Ultimo requesting me to report what action is intended to be taken with regard to the large quantity of Mysore Doods in the Huzur Treasury I have the honor to state that on the last occasion Doods valued at Rs.5577-15-4 were sent to Messrs. Rickie & Co., who undertook to pay to Government @ 4 annas a lb in monthly instalments bearing themselves the cost of melting and wastage. The Government in Proceedings No.9976/RFL36-9? dated 15th December 1894 accepted this tender and ordered the recovery of the value in 6 equal monthly instalments the amount so realised being Rs.2218-11-0.

2. The value of Doods at present in the Huzur Treasury is only Rs.1714-8-10 when they accumulate to say Rs.3000 or 4000 I would suggest their being similarly dealt with.

I have the honor to be

Sir

Your most obedient servant

Comptroller.

Mysore Coins

Submitted to the Secretary in the Revenue & the Dewan's order dt. 7.4.01 on the Comptr's No: 5140 dt. 2.3.01.
